1. No credit is given for sick or vacation days.
2. Changes in student schedules, if any, should be made at the beginning of the month only. If changes are made in the middle of the month, the tuition charged for that month will be the higher of the two amounts. *Schedules may not be changed more than 3 times over the academic year.
3. Tuition payments received after a 3-day grace period (three business days including the tuition due date) will be subject to a late payment charge of \$25 per month per child.
4. A \$100 payment could secure your child's spot during a one month absence. Preschool families can avail this only once during an academic year. A second month will be half of the student tuition, while the third month onwards we will charge the entire tuition to save a students spot.
5. Payment method via online payment form:
